## N O T I C E .

---

Space is reserved to add names of any other persons living in 1698 who had any connection with or descent from Southold.

A separate (third) Index has been commenced, called Index of 1730, to embrace all residing in or connected with the town who were not early enough to be embraced in either of the foregoing, and who did not live or remain in the town until 1775.

And a fourth Index has also been started, and filled with names of many persons living in the town at the commencement of the revolutionary War, called Index of 1775.

Persons disposed to pursue the investigation or to aid it are invited to separate the names accordingly. Such a plan has been found indispensable for accuracy and comprehensiveness. References from one Index to another will easily facilitate family traces.

\* Wm. Vassal, the father, was deceased. Nicholas Ware was acting executor. The dates, arranged, appear thus:

1656. March 3. Deed signed by *Margaret* and Mary Vassal for interest in lands in Massachusetts.

April 16. The marriage, at Barbadoes, of No. 321.

May 8. The above deed not yet delivered in Massachusetts, and thus affected by the marriage. Power of attorney by N. Ware, ex'r, to *Capt.* Joshua Hubbard, of Hingham, to sell property in Massachusetts.

1657. July 18. Deed of this date, signed by Joshua Hubbard, Judith Vassal and her husband, and Adams, husband of another sister, stating that J. H. signed it "on behalf of his *late* wife."

Enough is not shown of this deed or release to know when or where it was signed by J. H., nor whether by the Capt., under a power of attorney; or the clergyman as husband; if the latter, probably not until after Sept., 1659, when he returned. Prof. Styles' MSS., which give the precise date of his return, state that he had three children by his first wife, and that she died "four days after his return," which would be on 9 Sept., 1659; and if she died, as was too common, in child-birth, or with a young child, after a sea voyage, there is no discrepancy in having three children; nor any thing very remarkable in the doctor's charge for services or in the mere date of a deed prepared to be signed by others first, and waiting such return for her signature, then altered and signed by the husband for his late wife. (See 17 N. E. Reg., p. 58.)
